Dear Friend.

Last month Jim Kelly completed his first full year as an elected official and already he has made his mark in Boston politics.

Through hard work, long hours and dedication to his constituents, Jim has earned the reputation as a responsive and responsible legislative leader.

As Chairman of the Committee on Housing, Jim drafted the compromise Rent Control Ordinance which was adopted by the City Council and eventually signed by the Mayor. That law gives meaningful protections to tenants - without further infringing on the rights of property owners.

As Vice-Chairman of the Committee on Government Finance, Jim is concerned about the \$70 Million deficit facing the Boston tax-payers. His common sense arguments against School Department spending are now being quoted by those who realize that excessive appropriations to that one department will mean cutbacks in public safety, public works and other vital city services.

This fall, Jim will seek re-election to the Boston City Council. To be successful he again will need your support.

Please join us in the Lynn Room at Anthony's Pier 4 Restaurant on Tuesday, February 26, 1985, from 6pm - 8pm, for the Cocktail Reception sponsored by "The Friends of Jim Kelly."

Enclosed, for your convenience, is a return card and envelope. Please respond at your earliest possible convenience. Thank you.

For the Committee,

Mary Bailey
